Re: Smith v. Conway, 07 Civ. 7174 (JGK)

Your Honor:

I am an Assistant District Attorney in New York County, and have been assigned to represent the respondent in the above-captioned habeas corpus proceeding. On December 10, 2007, respondent moved to dismiss the petition as time-barred. By an order dated December 12, 2007, the Court directed petitioner to respond to the motion to dismiss by January 14, 2008 and directed that respondent's reply papers be filed by January 28, 2008.<sup>1</sup>

I am now writing to request a brief extension of respondent's time to reply, until Monday, February 4, 2008. The reason for this request is that my commitments in the New York State Appellate Division, First Department, make it almost impossible for me to turn my attention to petitioner's papers until January 30th. I am currently writing a brief that must be filed in the Appellate Division on that day, as well as editing two other briefs for filing that day. I also have oral arguments scheduled before the Appellate Division on January 24th and January 29th, each of which will require some time for preparation and will require me to spend several hours in court. In addition, I am recovering from an illness which has prevented me from working on any of these matters for the last four days. For these reasons, I am requesting an extension of one week to respond to the new information contained in petitioner's reply papers.

---

<sup>1</sup> The Court's order states that respondent is to reply by "Monday, January 29, 2008." However, January 29th is a Tuesday; accordingly, I assume that it was the Court's intention to set Monday, January 28th as the reply date.

DISTRICT ATTORNEY COUNTY OF NEW YORK

Hon. John G. Koeltl

Respectfully submitted,
